

Reading Mentor minutes

10th November 2016

1. Mrs. Lawrence asked if the Reading mentors knew the names of the children they are reading with in the photos taken previously. Two of the girls said they were keeping a diary of who they read with to make sure they read with lots of different people which was a good idea.
2. Mrs. Lawrence asked the Reading mentors to think about what things parents might like to know about the Reading mentors and think of any good things that they have experienced as a reading mentor. They wrote their ideas down so Mrs. Lawrence can forward them for the WEPA newsletter.
3. Attendance was discussed. Well done to some Reading Mentors who are sparing some time each lunchtime to read with Yr3s. Some Reading Mentors need to step up attendance if they want to attend our party.
4. We talked about arrangements for Year 5 Reading Mentors to attend KS1 Assembly Friday 2nd December, and what they might tell the children about their role.
