### Early Years

The Early Years children carried out their charity day on the 29th March 2017. The children and staff came to school dressed as their favourite animals. Each child contributed a donation of £1 to our chosen charity for this. Alongside this, the children made delicious cakes and biscuits that were sold to parents at the end of each day.

### Year 1

"Year 1 raised money for The Salvation Army again this year. We decided on a Superheroes and Princesses day because they help everyone, just like the Salvation Army. We also decorated some biscuits and sold these at the end of the day. In total we raised £127 for this fantastic cause. Thank you to all the Year 1 parents and children for their support."

### Year 2

On Friday 26th May, Year 2 will be holding a charity day to raise money for WWF, our chosen charity. The children will be coming into school dressed as their favourite animals for a donation of up to £1. There will also be a biscuit and cake sale at the end of the school day from 3:20 to help raise even more money. Items will be no more than 20p each. This money will go to help support WWF with the wonderful work they do protecting endangered wildlife and habitats.

### Year 3

Year 3 participated in a non uniform day where children brought in a £1 donation. Parents and carers were asked to see if they had any old toys or books to bring in. Which could be sold. An Oxfam van then came and collected these donated items. Once Oxfam had valued everything they came into the Academy during an assembly. During this assembly Oxfam told us the total amount we raised and expressed their gratitude and thanks.
