

Oxfam week in Year 3

On Monday 18th April, Year 3 held their charity week in class. They learnt about their chosen charity, Oxfam. During this week the children expanded their knowledge by learning all about how Oxfam has charitable operations all over the world. Amazing fundraising events were planned by children, along with posters and leaflets to promote them. Children were asked to donate money as they came to school dressed in non-uniform. A real effort was also put into donating old toys, games and books across the year which will all go towards supporting Oxfam. Oxfam got in touch with us to let us know we raised £350. Oxfam, and the year 3 team, would like to thank all parents and children who so generously donated. It was heart-warming to see our community trying so hard to help Oxfam put a stop to poverty.
