THANK YOU

Dear fabulous fundraiser,

Thanks for teaming up with us for another record breaking Sport Relief. We really couldn't do it without champion schools like yours.

To celebrate your amazing performance, we've enclosed a certificate for you to hang up in your school. It's a thank you from Champa who appeared in this year's schools' film.

We've also created an assembly with a film that includes shout outs from a few famous fans and info on how your money will help. You can download it at sportrelief.com/thankyouschools

The money your school raised will go to help people like Champa living tough lives in some of the world's poorest countries and here at home in the UK. Now that's something to be really proud of!

Thank you.
