

THE ROYAL BRITISH
LEGION

Year 6 Charity

In 2015/16, Year 6 will have a focus charity that we will raise money for throughout the year. Our charity will be:

The Royal British Legion

Your challenge:

Over the summer holiday we would like you to research this charity and find out as much as you can about:

- Who do they help?
- What is their mission statement?
- Why did the charity start?
- How do they raise money?
- Your ideas to raise money to support them.
- Any other interesting facts

You can present this information using a method of your choice! For example: as an eye-catching poster, a PowerPoint Presentation or in a booklet.
