

## Jolly Geographer

- ✓ I can be fascinated about the world and people in it. (Asking questions, finding information, showing an interest and taking responsibility for own learning)
- ✓ I have a knowledge about diverse places and people. (from our local area, around the UK, around the continent, around the world)
- ✓ I have a knowledge about natural and human environments.
- ✓ I have an understanding of the Earth's key physical and human processes. (e.g. production of oil, resources from natural things, weather, natural disasters)
- ✓ I have an understanding of the formation and use of landscapes and environments. (e.g. rivers, volcanos, mountains)
- ✓ I have an understanding of how Earth's features change over time. (e.g. corrosion, effects of humans, recycling, save the planet)

*World, environment, region, physical, human, landscapes, global, field work, sources, map, globe, atlas, aerial photograph, data, natural, country, continent, climate, settlement, economy*
