

**Year 6 Science  
Light**

lights object  
travels straight  
reflect/reflection  
light source  
shadows mirrors  
periscope  
rainbow  
filters  
absorption  
lenses optics  
refraction  
spectrum  
transmission

**Working scientifically**

sources observations  
classify group  
accuracy precision  
degree of trust  
increase decrease  
variables fair test  
gather measure  
record results  
identify sort  
similarities/differences
