

# Grow with Wood End!

We are very keen to develop our outdoor areas into a space where children can learn to respect and care for nature, develop an understanding of growth and changes over time, and hopefully even learn a little more about nutrition and health! We have big plans for our outdoor area, but we NEED YOUR HELP to get us there!

## How can you help?

We need equipment!  
We would be extremely grateful if you could contribute bags of soil, seeds, bulbs, plant pots, watering cans, old wellies. We understand Wilko's sell £1 bags of soil, these would be gratefully received.

## Grow with Wood End Early Years Day

Wednesday 28<sup>th</sup>  
March 2017

If you are unable to acquire any gardening equipment, a contribution of £1 would go a long way into helping us transform our outdoor areas into an environmentally welcoming place.

Please bring all  
contributions by the 6<sup>th</sup>  
March 2017
