

Nelson

*Handwriting*

*Developing skills*

*At Wood End Park Academy we follow the Nelson Handwriting scheme, which helps children with cursive handwriting (joining up of letters).*

*Your child is developing handwriting skills throughout this year and we at Wood End Park Academy would appreciate you practicing these skills with your child at home. Practice makes perfect!*

*This sheet will provide you with the examples of what is being taught, therefore helping you understand how it is being taught in school.*

*Children that show consistent neat cursive handwriting are awarded a Handwriting pen (pen license).*
