

Week commencing 11th December 2017

Dear Parents/Carers

Hour of Code Week

‘Hour of Code’ is a promotional week encouraging people of all ages to move into the future with the practice of code and programming!

These are skills that are growing important at a fast pace across the world. The Hour of Code is a global movement reaching tens of millions of students in 180+ countries which is also available in 45 different languages.

Wood End Park Academy will be joining thousands of other schools worldwide next week to encourage our pupils and their families to take part in one hour of code. We invite you to come along and join the movement - learn how easy it is to code! There will be coding activities such as: Minecraft and even Moana!

As well as introducing you all to coding and programming, we will be trying our best to raise as much money as possible to source new computing resources for our school. Help us by donating a minimum of £1 per family when you arrive at our coding sessions.

The sessions will be taking place *every day* after school next week from Monday 11th December 2017 all the way through to Friday 15th December 2017. The sessions will run from 3:30pm to 4:30pm in both of our computing suites and will be led by our computing team and computing ambassadors.

Many thanks for your continued support.

Yours sincerely,

Mr Hussain and Mr Dyal
Computing Team
