

Please join us for our “World’s Biggest Coffee Morning.”

Date: Friday 29th September 2017

Time: 09:00 – 10:30am

Location: Wood End Park Academy – KS2 Hall

We invite you to join us at WEPA for our world’s biggest coffee morning, where you can share a hot drink, cake and conversation with other parents/carers of WEPA. We ask for a donation towards MacMillan Cancer Support in return (***please bring coins as we will not be able to provide change for notes.***)

Please do bring cakes or biscuits either homemade or brought to share with all the other guests.

There are now 2.5 million people in the UK living with cancer, so it is so important that as many of you attend as possible as your donations will make sure that no one has to face cancer alone. The support would mean so much to the academy and to Macmillan Cancer Support.

*****You are welcome to arrive and leave whenever you wish during the time slot above.*****
