

Year 1 Maths
Workshop
Wednesday 18th
October 2017
3.30 - 4.10pm

*In your child's
year 1 classrooms*

Entrance: Through
outside doors

Come and find out how to help your
child move their learning on to the
next level!

Come and find out about the benefits
of reading and learn new ways to
challenge your child. The teachers will
demonstrate the strategies taught in
year 1 which will inform you of what

your child is learning and how to support them with their reading at
home. It is essential that your child practices these skills to help
them progress through the year.

- Meet your child's teacher.
- Learn the methods
- Ask questions about your child's learning in literacy.
- Collect some helpful resources.
