Dear Parents/Carers,

Bike Week: Bike Stamping for Years 5 and 6

We would like to offer your child the opportunity to bring their bikes to school on **Monday 11th June 2018**. We have invited in our local Community Police Officers to come and register children's bikes to a national database and then stamped to identify your child's bike. There is no cost for this service.

If your child's bike is lost or stolen you can report it to the police and then they can easily re-unite the bike with its rightful owner.

If you would like your child to take part in this please complete and return the slip below and return by **Thursday 07th June 2018**. The information we are gathering from you will be held on a secure database, once you receive the activation email to the email address provided below, you need to create the account and your child's bike will be logged on the system.

Yours sincerely,

Ms S. Johra
Principal
