

Wood End Park Academy

To Question is to Grow

Dear Parents and Carers,

Wood End Park Academy will be hosting our annual **Futures Week** during the week of 9th July. As part of the event we ask parents to visit the school and deliver a talk all about their job including: aspirations from childhood, education and key skills needed in their jobs. We feel that this is crucial to help encourage and motivate our children's aspirations for their futures. Especially as so many leave secondary school still not knowing what to do in the future!

We would like to offer you the opportunity to visit Wood End Park Academy and deliver an inspirational speech all about your job. This could be a simple 10 minute conversation or up to one hour with interactive activities- it's really up to you!

Our children range from age 4-11 and if you wanted to work with a particular age range we would happily accommodate this. Otherwise we are happy to place you in a year group that we feel would most benefit from your inspiring career choice.

If you are interested in helping our school to motivate the future of our community then please complete the reply slip below and return to your class teachers. Any time that you could spare would be greatly appreciated! We would be happy to promote your business in our monthly newsletter, which is distributed to all 1000 children's families.

Please do support us in Futures Week. We would be honoured if you could find some time to visit our school.

We look forward to hearing from you soon,

Ms Johra
Principal
