

Year 1 Phonics Competition

We had a fantastic response to the Phonics Competition, receiving 90 entries, and the Year 1 children thought of some amazing alien names!

First prize was awarded to a pupil in **1HG** as we loved the wonderful alien picture that had been drawn to illustrate his ideas. Second prize went to a pupil in **1GT** who had used Phase 5 digraphs, including split digraphs, to make his alien names. Our runners up were across the rest of the year group in 1HG, 1GT, 1SB, 1CC and 1SJ. All of these children thought of great alien names using the phonics they have learnt and used their best handwriting to present their ideas. Well done!

Miss Bridden, Phonics Teacher and Year 1 Team
