

## **PE and Sport Premium Funding**

### **What is the PE and Sports Premium?**

Following the London 2012 Olympic and Paralympic Games, the Government made the decision to provide funding for schools to secure a significant and lasting legacy for the children. The PE and Sport Premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

The aim is to develop an enjoyment of sport and physical activity, and to promote a healthy lifestyle in children from an early age. Schools receive Physical Education (PE) and Sport Premium funding based on the number of pupils in years 1 to 6.

### **How can the PE and Sports Premium be spent?**

Schools must spend the additional funding on improving their provision of PE and sport, but have the freedom to choose how they do this. This might include:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons;
- support and involve the least active children by running after-school sports clubs and holiday clubs;
- provide resources and training courses in PE and sport for teachers;
- run sport competitions or increase pupils' participation in the School Games;
- run sports activities with other school.

## How do we plan to use the PE and Sports Premium in 2016/17?

Wood End Park Academy expects to receive funding of £11,515 during the academic year. We plan to spend to it as detailed below:

Provision	Planned Expenditure	Desired Impact	How will we measure the impact?
Classes in Years Three and Four, in turn, will continue to receive a high-quality PE lesson every week taught by a specialist Sports Coach. This will be in addition to the core PE lesson taught by the sports coach/ PE lead.	£2,400	Pupils enjoy and achieve in PE. All children feel confident to participate in PE.  Higher attainers exceed in the PE curriculum.	Pupil surveys on enjoyment of and confidence in PE lessons.
Planning and teaching of PE skills to our more able pupils in Year Six.	£2,400	Targeted pupils in year six, develop their PE skills to a level of greater depth to be exceeding in this subject.	Progress of pupils' skills in P.E.
Sports Activities for pupils at lunchtimes - Key Stage Two pupils	£2,880	Pupils are engaged during lunch time play due to activities on offer.  Pupils are able to participate in a structured sports activity at lunch time.	Pupils surveys on sports provision at lunchtimes.
After school sports activity is available for a sport not offered by school staff e.g. gymnastics  20 pupils receive places for Spring and Summer Term Sessions delivered by an external sports company: Year Two	£2,635	More pupils are able to participate in after school sports activities due to affordability.	Expect 100% take up of places in the after school activity.  Target pupils who tend to be reluctant to participate in sports.
Sports session on a Saturday subsidised by the sports funding.  16 pupils per week £2 paid for each week Academy pays £2.50 as top-up	£1,200	More pupils participate in sports on a Saturday. (We have weekly sports activities for pupils each Saturday).	Look at numbers of pupils who have taken the opportunity to participate in sports on a Saturday.

*Additional Opportunities:*

In addition to the above, Wood End Park will 'top up' the experiences for our pupils. Plans include:

- Each Reception child to have a free place to a Healthy Living workshop
- Funding for pupils to participate in after school sports activities
- Hosting the Centre of Excellence for Sport, inviting gifted and talented pupils from our own school and Cranford Park Academy to take part in lessons on each Saturday afternoon
- Preparing pupils in school sports teams to represent Wood End Park Academy at the Park Federation Trust and other sports events. Last year, Federation sports events included cricket, dodgeball, football, cross country and athletics. Wood End Park Academy also participate in events that are Borough level and our academy's team achieved first place in one the Borough Boy's Cricket!
