

## Federation Netball Tournament

Girls from our netball team in years 5 and 6 attended the Federation Netball Tournament just before the Easter break. The sun shone down on the team as they played 5 matches lasting 12 minutes each at Montem Academy. The team came a very respectable 4th place out of 6 drawing 2 matches and losing 3. Despite losing games, goals were scored in most of the matches and were only pipped to the post by a goal or two. This was the first time the girls had played as a team against other schools and they played with passion and a great deal of skill. Congratulations to the team on a job very well done!
