

Computing Ambassadors Meeting Minutes

Tuesday 1st November 2016

Present: Noh, Iman, Ahmed, Thandile, Jade and Mr Hussain.

- Computing club, what is going well and what is not going well.
- When it becomes too crowded, ensure all pupils have a seat. Whoever has been in the room the longest, those pupils to leave to give others a chance to use the computer.
- Behaviour book to be used, write down any names of pupils not following rules. Those pupils to be banned following week from club.
 - Lunch time computing club to change to coding club for autumn 2.
- Pupils to come along and build their own programs and games via coding.
- Ambassadors to demonstrate how to bug and debug. Assisting pupils to create their very own program.
 - Program to be used is 2code on Purple Mash.
- Coding club poster created. To be put up around the school to promote.
- Highlights of the year presentation to be created, discuss what has happened in the year so far.
 - Ambassador badges to be ordered for new ambassadors.
