Dear Sir/Madam

We cannot thank you enough for the very generous donation of £58.33 that was raised by The Wood End Park Academy for our charity.

Your donation will make such a difference, at a time when referrals are higher than ever before, and so many bereaved families need support from Grief Encounter. We do not want to have to put these children on a waiting list and your generous donation will enable us to support these children much quicker, when they are desperate for somewhere to turn.

Many thanks once again to you and the pupils of your Academy.

Kind regards,

Louise Harris
