Dear Head teacher

On behalf of Grief Encounter, thank you so much for your very generous donation of £58.33 which we have received from you.

We would be grateful if you would say a huge 'Thank You' on our behalf to your Academy.

Your donation will make a difference, at a time when referrals are higher than ever before, and so many bereaved families need support from Grief Encounter. We do not want to have to put these children on a waiting list and your generous donation will enable us to support these children much quicker, when they are desperate for somewhere to turn.

Thank you so much once again.

Kind regards,

The Grief Encounter Team
