

Year 2

Charity Focus

In 2015/16, Year 2 will have a focus charity that we will raise money for throughout the year. Our charity will be:

WWF- World Wildlife Fund.

Your challenge:

Over the Summer holiday, we would like you to research this charity and find out as much as you can. You can present this information however you like: e.g. as a poster, a PowerPoint Presentation or in a booklet. Use your best presentational skills.

You may wish to find out:

What they do? Who do they help? How did the charity start? How do they help?

How much can you find out?

Best work will be shown to Ms Johra.
