

Friday 29th September

HISTORY DAY

Dear Parents/ Carers

On Friday 29th September Reception children are going to become time travelling historians. We are going to spend the morning creating our own time travelling hats in class, which will give us our special power so that we can travel back into the depth of history.

Once we have created our masterpieces we will visit the other year groups in the school who will be taking part in history day looking at a specific time zones.

Reception children will also be thinking about their own history. If you could send your child in with a photograph of them as a baby. It will help us discuss this with them. We also have some questions we would love you to answer. Please return the slip to your child's class teacher.

Thank You For your Help

The Reception Team

How would you describe them when they were a baby?

What was there first word?

How old were they when they started to walk?

What was there favourite toy as a toddler?
