Futures Week Homework

Homework given: Thursday 29th June 2017

Homework due: Tuesday 4th July 2017

Next week is 'Future's Week' and we will be doing activities focused on things you might do in the future.

Discuss with someone at home what you would like to be when you grow up. What jobs do the adults in your family do?

- What do you want to be when you grow up?
- Draw a picture

Write about the job you have chosen (what do they do? Why do you want to do this job?)

Can you find out 5 facts about that job?
