Section 1: Our Core Principles

Wood End Park Academy's (WEPA) Code of Conduct is designed to give clear guidance on the standards of behaviour all school staff are expected to observe, and the school should notify staff of this code and the expectations therein. School staff are in a unique position of influence and must adhere to behaviour that models the highest possible standards for all the pupils within the school. As a member of a school community, each employee has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside working hours.

Attitude and behaviour

We aim to foster positive attitudes, self-discipline and good behaviour in our children and it is essential we provide them with excellent adult role models at all times. All members of our community should aim to uphold and promote the vision and values that encompass The WEPA Way. The WEPA Way is the culture and vision that we want to embed at WEPA.

It is expected that all staff will have a positive attitude towards school life which will be reflected in the way they talk to children, parents and all staff members, as well as in the way they conduct their professional duties.

Partisan political views should not be promoted in the teaching of any subject. The principles of British democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs should be promoted whenever possible.

Safeguarding

Staff have a duty to safeguard pupils/students from:

- physical abuse
- sexual abuse
- emotional abuse
- neglect
- domestic abuse

The duty to safeguard pupils/students includes the duty to report concerns about a pupil/student to the designated Safeguarding Lead. WEPA's Designated Safeguarding Lead is the Deputy Principal. Surjeet Johra - Principal, the Deputy Principal, Ed Barnes - Vice Principal and Sue Wigglesworth - Family Support Worker form the Safeguarding Team.

Afsheen Choudhary is our Safeguarding Governor.

Staff should ensure they are familiar with the Academy's Child Protection and Safeguarding Policies. Copies of these are available on the website, in the staffroom and with the Principal's Personal Assistant.

Where staff have access to confidential information about pupils/students or their parents or carers, staff must not reveal such information except to those colleagues who have a professional role in relation to the pupil/student.

Staff must not demean or undermine pupils, their parents or carers, or colleagues. Staff must take the upmost care of pupils/students under their supervision with the aim of ensuring their safety and welfare.

Staff must not use their mobile phone as a camera in school. Any photograph/video must be taken using school equipment. Staff must only save images on school computers. Mobile phones should only be used in areas of the school where pupils are not present.

Honesty and Integrity

Staff must maintain the highest standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.

All staff must comply with the Bribery Act 2010. A person may be guilty of an offence of bribery under this act if they offer, promise or give financial advantage or other advantage to someone; or if they request, agree or accept, or receive a bribe from another person

Gifts from suppliers or associates of the school must be declared to the Principal or to the Chair of the Academy Council if the Principal is the recipient, with the exception of “one off” token gifts from students or parents. Personal gifts from individual members of staff to students are inappropriate and could be misinterpreted.

For further information, the Anti-Bribery Policy and Gifts & Hospitality Policy can be viewed on the Trust’s website.

Conduct Outside Work

Staff must not engage in conduct outside work which could seriously damage the reputation and standing of the academy or the employee’s own reputation or the reputation of other members of the school community. Any such conduct could lead to dismissal.

Staff must exercise caution when using information technology and be aware of the risks to themselves and others. Staff must not use social media e.g. Facebook with pupils or former pupils. Staff must not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute.

Staff must only use their school email account when communicating electronically with pupils or parents.

All members of staff must declare any business interests outside of school that may be connected either to the supply of goods/services to the school or be rewarded through association with the school.

Section 2: General Principles

Punctuality

All staff are expected to be punctual in line with their contracted working hours (details of directed time are in the Staff Handbook).

Class teachers should be ready to receive their class at the appropriate times such as the beginning of the day and at the end of break and lunchtime.

Absence

If you are unable to attend school as a result of illness you should ensure you contact appropriate person (named contacts are in the Staff Handbook) so that absence can be covered and any other arrangements can be made. Calls can be made any time after 6:30am and as soon as possible when you realise you will be absent. Please ensure you also contact the appropriate line manager e.g. Year Team Leader.

If absence is to continue longer than a day it is helpful if the Principal is given some indication of this so that cover can be arranged.

When you return to work, a return to work meeting will take place with your Line Manager. If subsequent absences then breach a trigger, further meetings will take place depending on the number of triggers breached. Refer to the Attendance Policy for further details.

Absence for more than 5 working days requires a medical certificate to be given in to the Academy office.

Applications for leave of absence required for personal reasons, other than illness, should be made to the Principal prior to the absence.

A written application should be made to the Academy Council for any sustained period of leave required for any reason other than medical.

Dress

No jeans trousers or jean skirts. Anything that could be seen as denim is not allowed either, as this presents a too casual image to our pupils.

We should always dress in a way that commands respect of our pupils and parents. Please be particularly mindful in the summer months when we may wear items to keep ourselves cool - ensure straps on tops and lengths of skirts mean you are presenting a modest image at all times.

Be mindful that we are setting an example to young people at all times.

Sports Wear should be worn for PE and other sport.

Smoking

It is not acceptable for staff to smoke in any area of the Academy or Academy grounds. If colleagues do wish to smoke, they should do so away from any of the Academy entrances and must not be in sight of any children.

Collection of Money

Money is collected for a variety of purposes. A note should be kept of who has made payment via the transit form, and all money should be sent immediately to the front office.

When activities such as trips and cooking are being planned, it is essential for parents to be given considerable warning of deadlines for money to be sent in. Many parents find it difficult to make even the smallest of contributions.

Door Security

Please ensure that no external doors are left open at any time.

All visitors to the Academy are expected to report to reception where they will be given a visitors badge to wear. If you see a stranger walking around the Academy without a badge we would ask you to politely enquire if you can help them and to direct them to the front office.

Classroom Organisation

The following points are intended to draw attention to some of the most basic aspects essential to good organisation:

- The classroom should be organised and ready for activities before the children arrive.
- All resources should be accessible to all thus encouraging in children autonomy, independence and ability to think for themselves.
- Book area, home/play areas and other resource areas in the room should be made attractive and kept tidy.
- High standards of presentation in exercise books, files etc. should be maintained and children encouraged to keep all their work in good condition.
- Teachers should constantly set high standards/expectations of behaviour and movement in and around the Academy. Interruptions to teaching time should be kept to a minimum.
- All teachers should follow the behaviour expectations as identified in the Behaviour Policy and The WEPA Way.
- Teaching styles and methods should be appropriate to the different learning situations and a balance exists between individual, group and whole class teaching.

Appendix 2: Personal and Professional Conduct *(Teachers' Standards 2012)*

A teacher is expected to demonstrate consistently high standards of personal and professional conduct. The following statements define the behaviour and attitudes which set the required standard for conduct throughout a teacher's career.

Teachers uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school, by:

- Treating pupils with dignity, building relationships rooted in mutual respect and at all times observing proper boundaries appropriate to a teacher's professional position.
- Having regard for the need to safeguard pupils' well-being, in accordance with statutory provisions.
- Showing tolerance of and respect for the rights of others.
- Not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.
- Ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law.

Teachers must have proper and professional regard for the ethos, policies and practices of the school in which they teach, and maintain high standards in their own attendance and punctuality.

Teachers must have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.
